Formats and options

CDs remain the principal focus of this catalogue. All discs are made to order and are supplied either as full printed-cover editions or as discs only in clear plastic sleeves without printed covers. Downloads are also available from PristineClassical.com where applicable, with full product notes, reviews, artwork and audio samples online.

CD pricing

Discs	Full printed-cover CDs	Clear plastic sleeves, no covers
1 CD	€17	€13
2 CDs	€35	€25
3 CDs	€50	€38
4 CDs	€65	€50

Ambient Stereo and downloads

Some historic mono recordings are also available in Ambient Stereo versions. Where applicable, Ambient Stereo is offered as an additional or alternative presentation of the same restoration. For downloads, the website remains the definitive source for available MP3, 16-bit FLAC and 24-bit FLAC formats, together with current pricing.

Production

CDs are produced to order in France. Because all catalogue items are made individually rather than held as factory stock, even obscure recordings remain available. Most orders are normally produced and posted within a few working days, though busy periods may take longer.

Shipping and offline orders

Online ordering remains the fastest and most accurate way to buy from Pristine Classical. This catalogue is provided chiefly for browsing, reference and offline CD ordering.

Shipping

Shipping is no longer listed as a fixed table in this catalogue. Global postal costs and services can change quickly, so shipping for offline orders will be calculated when the order is received and confirmed with the buyer before payment is taken. This avoids overcharging and also avoids promising outdated postage rates.

How offline ordering works

- Fill in the order form with catalogue number, title, preferred format and quantity.
- Send the form by post or e-mail to Pristine Classical.
- We confirm availability, calculate shipping to your address and send the final total.
- Payment is requested only once the total has been agreed.

Please do not send card details by e-mail. Payment arrangements will be confirmed after the order total has been calculated.

Ordering CDs by post or e-mail

Although it is quicker and easier to order online for download or on CD, this form may be used for offline CD orders. Please give the catalogue number and title as shown in the catalogue. Put an X in the 'No covers?' column if you want discs in clear plastic sleeves without printed covers.
